

BB+ CREAM TECHNICAL DATA

REFERENCE: 5372

DESCRIPTION

BB+ CREAM gives an instant touch of perfection to the face while acting against age imperfections. It makes skin shade even, moisturizes, tones up, lights up, makes the cells to live longer, diminishes the hyperpigmented blemishes and reduces dilated pores. With solar filter SPF15.

CAPACITY: 30 ml tube

APPLICATION:

Apply it every morning after having washed the face.

RESULTS:

Illuminated skin. No shines and no greasy feel. Even shade and small imperfections hidden.

Age control effect. Tone up skin. Moisturized skin and protected against solar radiations. Marks and dilated pores reduction. Better tissues quality.

MAIN INGREDIENTS:

- Encapsulated C Vitamin.
- SPF 15
- Hyaluronic Acid with low molecular weight
- Age control ingredient
